

MEMBERSHIP BENEFITS

Haymarket Chamber of Commerce is one of Sydney's most progressive and growing business chambers and the voice for one of Sydney's leading commercial precincts.

This vibrant cultural and business precinct incorporates the largest Chinatown in Australia and attracts 2.5 million visitors annually. With over 3000 businesses and 6000 residents, Haymarket is also an important base for many international trading companies. The Haymarket Chamber of Commerce is committed to the continued success of the precinct and developing ways to maximise opportunities for growth. A major focus of the group is on promoting the interests of business and commerce.

We welcome your participation in Chamber initiatives and invite you to join our membership so we can represent our business community and support your business growth in the area.
